

PERIOD 6 SCHEDULE

Monday 20th July to Thursday 17th September

A primary goal for Period 6 in Term 3 is to provide academic support across the curriculum Years 7-12. For sessions offered online, students will be able to dial into the classes via a Firefly link or Microsoft Teams. The teacher responsible for each session will manage student interest and if there are any problems, students are asked to contact this teacher for further clarification. Although it is the intention to offer Years 10-12 Period 6 options on campus, if the school needs to shift to remote learning these will also continue to run online.

- The Music department will send out details regarding additional ensemble and orchestra rehearsals.
- The library will offer a Book Chat Club throughout the term. Students interested in taking part should contact Ms Hamzi.
- Debating and Public Speaking opportunities will continue to be available for all year levels. Mr McDonald will publicise these as they arise.

NB: There is no limit on the number of Period 6s a student may choose to attend.
