EXPRESSION OF INTEREST FORM

(Page 2 of 2)

Huntingtower's unique nature requires that those who wish to attend share its values and principles and wish to contribute to its atmosphere and environment. While Huntingtower is renowned for its exceptionally high academic standards this is not our primary focus and we are not an academically selective school. Students of all abilities are loved and nurtured. There are no religious requirements for entry, however, we are an innately spiritually-based school. Families of all faiths are warmly welcomed.

Please respond to the questions below as fully as you can.

1. How did you hear about Huntingtower?

2. Have you visited the Huntingtower website and made yourself aware of its spiritual basis? Yes No

3. Why would you like your child to attend Huntingtower?

4. Have you attended a tour of the school? Yes No

5. Please mention any special interests, talents and achievements in academics, sport, music, drama, service or leadership.
