

# HUNTINGTOWER

Performing Arts Centre

Let's stay safe together.

We look forward to welcoming you back to the Huntingtower Performing Arts Centre.

We are monitoring the latest advice from the Australian and Victorian Governments and will bring you further details regarding the recommencement of live performance, live music and corporate events.

### **COVID Safe Venues**

We have developed our COVID Safe Plan to maximise the safety of everyone that enters our venue. The pandemic has required us to revisit how we operate to ensure a safe and comfortable environment for everyone.

### **Safety First**

We are committed to maximising the safety of our venues and workplaces, and mitigate risks of community transmission for the safety and welfare of our clients, staff, guests, contractors, and all those involved with our businesses.

### **Customer Service**

We will continue to deliver exceptional customer service for our clients and patrons, recognising the new conditions to provide a safe experience.

**If you are coming to our venue, we ask that you review the below useful information.**

If you are feeling unwell, please stay home.

Please do not attend the venue if you have been unwell, have recently returned from an [identified red zone](#), have visited an [exposure site](#), or have been advised to isolate by DHHS. Please stay home if you are showing [symptoms of COVID-19](#), in isolation as a result of a COVID-19 diagnosis or awaiting COVID-19 test results, or are in quarantine as a returning international traveller or have been in contact with someone diagnosed with COVID-19.

**Arrive early and bring your mask**

We recommend arriving 30 minutes before the performance. Currently, you are required to wear your mask for the duration of your visit, unless you have a lawful reason not to do so.

**Undertake good hand and respiratory hygiene**

You can play a part in maintaining a COVID safe venue. Make use of the hand sanitiser that will be available throughout the venue, and sneeze or cough into your elbow.

**Practice good physical distancing**

Where it is practical to do so, please ensure that you keep your distance when queuing and moving throughout the foyers. Signage throughout the theatre will help with guidance on other ways to protect your wellbeing.

**In the Auditorium**

The auditorium will be seated in our standard layout, so you may be seated next to other patrons. Attendance is capped at 75% capacity or as permitted by government advice at the time of the performance. Unused seats will be allocated to high traffic areas (per government guidance) to create buffer areas between seated patrons and those moving through the venue.

**We aim to provide a COVID Safe Venue**

Our comprehensive COVID Safe Plan includes control measures such as full venue cleaning before and after every performance, frequent and intensive cleaning.

**Please note our Conditions of Entry**

By entering the venue for a live performance, you agree to abide by our [Conditions of Entry for Theatres](#). You are also agreeing to follow the directions of our staff and signage, and any applicable government directives.

We are closely following all Victorian Government health guidelines and will continue to update our procedures as necessary.

If your question has not been answered here or you have any additional queries or concerns, you can contact us at [pac@huntingtower.vic.edu.au](mailto:pac@huntingtower.vic.edu.au)

Thank you for your ongoing understanding and support during these times and we look forward to welcoming you back to our venues again soon.
