

VCE AT HUNTINGTOWER

VICTORIAN CERTIFICATE OF EDUCATION

Huntingtower is ranked academically as one of the top co-educational schools in Victoria. Huntingtower regularly achieves a 100% pass rate at Year 12 level.

In 2016, there were high level passes across the range of humanities, sciences, information technology and business studies subjects.

Huntingtower's VCE results are always skewed strongly to the upper end of the distribution of results. In 2016 :-

- 27.3% achieved ATAR scores over 95
- 60% achieved ATAR scores over 90
- 77.3% achieved ATAR scores over 80
- Our median ATAR score was 91.8
- Our median study score was 36
- 28.9% of study score results were over 40

Huntingtower, which is not an academically selective school, was ranked in the top 5 co-educational schools in Melbourne in 2016. These results give our students excellent opportunities to achieve tertiary offers in the courses of their choice. The school has a balance of academically and practically-oriented courses designed to provide entry into a wide spectrum of tertiary study or employment.

For the past thirteen years, every student applying has received a tertiary offer.
