Dear Parents/Guardians

As part of the Year 9 Program the students will be partaking in a four day Camp to Queenscliff. This Camp will have a strong focus on physical fitness and will build on their knowledge of Cycling, Bike Maintenance and Etiquette. In addition, the Camp will have a strong historical and geographical focus that will develop a greater understanding of the local environment. This camp will run from the Tuesday until Friday of Camp Week and the students will take part in a day trip on the Monday [info for the day trip will be provided early in the school year].
