Permission Slip – Athletics Early Risers Program

I give permission for my son/daughter ___________________________________________ in Year _______ to take part in the Athletics Early Risers Program.

In an emergency I authorize the teacher in charge of the excursion to consent where it is impractical to communicate with me to the child receiving such Christian Science treatment, medical or surgical treatments, as may be deemed necessary, in line with my request on my student’s Application for Enrolment form.

I would prefer a Christian Science Practitioner to be notified first.
