Debating Training Day

Monday 5th March

Well done and thank you on your commitment and willingness to be involved in the Huntingtower School Debating Team. We have a fine tradition to uphold with three teams making it to the finals last year and one team going as far as the top four. This season promises to be just as productive and successful.

To help everyone start in the right frame of mind, a debating training day will be held on Monday 5th March 3.45-5.00. Everyone in a Huntingtower Debating Team will be expected to attend. You will be required to bring writing materials, an attentive mind and a sense of fun.

We are fortunate this year to be able to boast two Debating Captains. These students will help teams prepare for their debates, assist coaches with their duties and be a contact point for any of your concerns. They will also help in the organisation of a number of follow up debating training events.

The Debating Team Captains for this year are:

- Luke Thiagarajah
- Evan Parris

The Debating Coaches for this year are:

Yr 8/9 – Mrs Goddard and Ms Lopez

Yr 10 – Mrs Clarke

Yr 11 – Ms Craik

Yr 12 – Mrs Christensen

If you cannot make the training day please inform either a debating captain or your team coach.

Thank you

Mrs Christensen

Debating Convenor
